## Important Notes for AMAR-VH, and AMAR-V

- Helicopter tickets are issued by Shri Amarnathji Shrine Board through their online portal. Earlier the tickets were issued through the Helicopter operator companies and we were buying tickets through them. As the tickets are issued through the govt. portal, the Travel Agents have no quota nor can book the Helicopter ticket directly.
- The permission is given to certain companies (one Helicopter each) and capacity of each helicopter is only 5-6 seats. The available ticket capacity is very small in number, whereas the demand for helicopter tickets is quite huge. Hundreds/Thousands of pilgrims visit Amarnath Shrine everyday depending upon the season.
- We make all the efforts to make the reservation of Helicopter tickets online on your behalf, however because of the huge gap between demand and supply, sometimes we may not be able to reserve the Helicopter ticket. In such case Southern Travels Pvt. Ltd. nor its associates do not take any responsibility of providing Helicopter tickets and in such situation, we would be refunding Helicopter tickets amount after deducting our service charges amount of Rs.5200/- charges towards the cost.
- In case of non-availability of tickets beyond our control or cancellation of Helicopter service due to unanticipated adversary weather conditions or for any reasons and restrictions, the Helicopter company reserves the right to cancel the booking & refund the ticket cost after deducting the necessary cancellation charges as per Helicopter Company norms. It is mandatory to get your TICKET stamped/endorsed as "not travelled/Cancelled" by the Helicopter Company in case of full cancellation and to get the endorsement on BOARDING CARD in case of /Partial travel (one way) cancellation at the Helipad, and handover the same in "ORIGINAL" to our Travel offices with due acknowledgement, for claiming the refund. The refund will be made to you after we receive the amount from the Helicopter operator /Agent, which may take up to 90 days. The cancellation rules and other terms & conditions of the Helicopter companies are available on their websites / our offices.
- If case of non-availability of Helicopter ticket, the pilgrim has an option of visiting Amarnath shrine by Walk, Pony or Doli for which our local representative, tour escort, will assist them. As per the helicopter companies there is no provision to fly such passengers next day, as all seats would be pre-booked. Hence your tickets cannot be carried forward for next day. The number of seats available with all Helicopter companies operating is limited and wherein the demand is almost 5 times of the available seats. Moreover, while traveling in a group, there can be a situation where the Helicopter Company may fly few people on one day and rest on the next day or they may also split the flying time/ place of departure like Baltal/Pahalgam, in different slots or the group will be split with multiple Helicopter operators. Our company does not have any control over these kinds of situations and also will not be liable for any changes as it a third-party product.
- It is also clarified that in such circumstances you will cooperate with the management and shall not raise any demands and or not file any complaints to the Consumers courts or any other courts for any compensation or damages.
- It is mandatory to get the Yatra Card and medical fitness certificate for the tour from the prescribed Doctors by Shri Amarnath Shrine Board. Please refer to website: <http://www.shriamarnathjishrine.com> for further details.
- If the tour is extended / delayed due to bad weather /technical problems of the Helicopter / Landslide or any other situation beyond our control, we will be providing services as per our scheduled services/itinerary only and the extra cost incurred due extended days /services because of above reasons have to be borne by the tourist/pilgrim.
- The accommodation at houseboat is pre-purchased and it is not refundable or transferable, if you do not avail it due to any reasons. Depending upon the climatic conditions, in some situations, you may have to stay at Panchtarni and return by next day Helicopter in which case tented accommodation charges are to be borne by the tourists/pilgrims.
